

TAMAKI

MARINE PARK

PREMIUM MARINE SERVICES

THE GATEWAY TO EASY BOATING

Just minutes from the motorway in Mt Wellington, Tamaki Marine Park is a premium full-service marine hub, providing Auckland boaties with everything they need for a stress-free on-water experience. Whether you're after secure drystack storage, haulout and hardstand, a well-appointed marina berth or professional marine services, we make boating effortless with top-tier facilities and a team dedicated to your boating enjoyment.

WHY CHOOSE TAMAKI MARINE PARK?

- ✓ Convenient Location: Easy motorway access from Sylvia Park exit.
- ✓ Premium Facilities: 260-berth drystack, haulout, hardstand and marina.
- ✓ Effortless drystack boating: no more trailer hassles - you're ready to go!
- ✓ 24/7 Security: Your boat is safe and secure.
- ✓ Fuel on-site (petrol & diesel) with GOfuel.
- ✓ All external suppliers & marine tradesmen welcome.
- ✓ Wheelchair-accessible facilities.

YOUR ONE-STOP-SHOP MARINE SERVICES

MARINE SERVICES FOR EVERY BOATIE

At Tamaki Marine Park, we know that every boatie has unique needs. Which is why we provide a full range of marine services. Whether you're storing your vessel, performing maintenance, or wanting a well-equipped marina berth, we have you covered. And you'll enjoy expert support from professional staff, so you can spend less time worrying about logistics and more time enjoying the water.

DRystack BOAT STORAGE

Safe, Secure, and Ready When You Are

- Undercover berths for boats up to 12m
- Convenience: Minimum one-hour launch request
- Engine flush & freshwater wash upon return
- Protection: No exposure to the elements = less maintenance, more boating
- Secure private members parking

HAULOUT & HARDSTAND

Space for Maintenance & Repairs

- Haulout trailers accommodate motor boats, yachts and catamarans* up to 60 tonnes & 25m
- Hardstand area with covered sheds for all-weather protection
- On-site services: Cleaning, antifouling, repairs, and maintenance
- All boat owners and their contractors welcome

** No masts due to bridges. Bridge clearance 7.8m at mean high tide and 10m at low mean tide.*

MARINA BERTHS

Tranquil & Well-Equipped for Your Vessel

- Berths for boats 12m to 28m
- Monthly berth rental, minimum 3 month rental
- Power, water, secure parking & 24/7 monitoring
- Direct access to the Hauraki Gulf for awesome boating adventures
